

Census 2001 Key Statistics: Blaby District Narborough and Littlethorpe Ward

The release of the Census Key Statistics tables by the Office of National Statistics (ONS) presents users with a set of summary ward results from the 2001 Census of Population. This area profile provides a summary of this data for a Leicestershire Ward with comparison figures for the District and County area.

The 24 Key Statistics tables cover the main Census topics and consist of approximately 375 counts. These tables are available at output area, ward, local authority district, unitary, county, regional and national level.

To prevent the inadvertent disclosure of information about individuals ONS has independently adjusted all the tables; this means that counts of the same population in two different tables may not necessarily be the same.

The percentage results have also been rounded to two decimal places. Hence, multiplying the percentages by the relevant total population count may give a slightly different figure to the Totals column.

Any organisation wishing to publish or re-use the data in this profile should first obtain permission from Leicestershire County Council.

2001 Census Area Profile

Keys Statistics Definitions

1991 Census Comparison

- Care must be taken when interpreting inter-census population. Firstly, the data in this profile is based on the new ward boundaries that came in effect May 2003. Secondly, some of the questions asked have been modified for 2001. Lastly, unlike 1991, the 2001 counts have been adjusted to account for underenumeration.

Amenities (1)

- Occupancy rating is a census measure developed to calculate household overcrowding. It assumes that every household, including one person households, requires a minimum of two common rooms. E.g. -1 implies that there is one room too few.

Qualifications (2)

- Level 3 = 2+ 'A' levels, 4+ 'AS' levels, NVQ 3 Advanced GNVQ
- Level 4/5 = First degree, NVQ 4/5, HNC, HND, Qualified Teacher, Doctor, Dentist, Nurse, Midwife and Health Visitor.

Health (3)

- Limiting long-term illness covers any long-term illness, health problem or disability that limits daily activities or work.
- General Health refers to health over the 12 months prior to Census day. (29 April 2001)
- Provision of unpaid care: persons looking after, giving help or support to family members and/or neighbours because of long-term physical or mental ill-health or disability or problems relating to age.

Car / Van Ownership (4)

- 'All cars/vans' may not be exact as households with more than 10 cars are counted as having 10 cars.

Long-term Unemployed (5)

- A person is defined as being long term unemployed if the year they last worked was 1999 or earlier.

Travel to work (6)

- Public transport is defined as underground, metro, light rail or tram; bus, minibus or coach (but excludes car-sharing)
